There are wonderful advantages to lining what you sew. A lining makes a garment drape better, last longer, and easier to slip on and off. Some linings add warmth, while others can keep a jacket cool enough for summer, but they all make

a garment look great inside. In *Easy Guide to Sewing Linings*, you will learn all of the available options, whether you are lining a tailored jacket, a lacy top, or a favorite sweater. You will learn how to: make a lining pattern when the garment pattern doesn't include one choose the lining style that best suits your needs sew both traditional and quick linings line a sheer or lace garment line a vented skirt put a zip-out lining in your coat
