Christopher L. Harbo : Easy Holiday Origami (Easy Origami) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Easy Holiday Origami (Easy Origami):

0 of 0 people found the following review helpful. However I would recommend practicing them yourself before attempting to teach them to ...By Sharon Fields These origami instructions are easier than most. However I would recommend practicing them yourself before attempting to teach them to a group of children, as the direction of folds, even when illustrated, can be unclear. 0 of 0 people found the following review helpful. I liked the projects but had trouble adapting them for beginning beginners - It is a fun start for those wanting to learn origami. By S. M. Bazzel The projects in this book appear to be simple but for young children and seniors I have done origami with I found most had to many folds to make them easy". The projects are easier and good for beginners other than the seniors who have never thought about learning origami. Motivated beginners will probably enjoy the holiday projects. 0 of 0 people found the following review helpful. USED SCISSORS! By Customer Using scissors after receiving a square disqualifies a piece from being called origami. Do not buy this book if you are trying to learn genuine origami. I personally recommend books by Kunihiko Kasahara and Tomoko Fuse (authors who actually did their research)

Do you enjoy holidays throughout the year? Now you can celebrate them even more with Easy Holiday Origami. With

a few simple folds you'll make a pocket heart, a blooming tulip, a holiday stocking, and so much more. Grab some paper and start folding!

About the Author Christopher L. Harbo discovered his love of comic books as an adult when he stumbled on a copy of Stan Sakai's comic "Usagi Yojimbo". Today, Christopher's bookshelves are loaded with comics and graphic novels from around the world. When he's not reading, Christopher enjoys practicing origami, watching Japanese anime, and working in his garden.
