I loved the patterns especially the one where you don't need to knit the heel...it's a tube sock pattern that needs 4 DPN's....I rocked it out! Being new to knitting socks..I was having a hard time teaching myself about turning on the heel and following the patterns in the past! This book helped me immensely..Buy it and knit away!1 of 1 people found the following review helpful. it's okBy CasieopeaI was expecting more.... it's fine but a bit disappointed. There should be the "see inside" feature on this book.0 of 0 people found the following review helpful. Five StarsBy Carol AnnEasy to understand, great for beginners.
