Trish Bowman : Easy Memorabilia Quilts: Ties, T-Shirts, Photos More before purchasing it in order to gage whether or not it would be worth my time, and all praised Easy Memorabilia Quilts: Ties, T-Shirts, Photos More:

3 of 5 people found the following review helpful. THIS book is a great find!By plbquinnThe book is very informative. It has easy to follow directions. This is a great way to rehab those old \$20 "been there done that got the t-shirt" shirts.1 of 4 people found the following review helpful. PoorBy Rita SebesVery disappointed would like to return. It didn't offer to look inside of the book when it was offered. Can I return it?

Making a gift for family or friends is the number one reason quilters put thread to fabric. What better way to show that love than to use special memorabilia from their lives! Make 7 different types of memory quilts from wallhangings to bed quilts. So many materials with special memories for someone can be used: Men's silk ties, t-shirts of every kind, shirt collars, ball caps, baby clothes, achievement patches and awards and more. Even better-this book is beginner

friendly! No sewing experience required!

About the Author Trish Bowman owns Jersey Girl Quilts, a company specializing in making memory quilts. She lives in Orlando, Florida.
