**Christopher L Harbo : Easy Ocean Origami (Easy Origami)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Easy Ocean Origami (Easy Origami):

Do you love the ocean? Now you can create your own paper sea. With a few simple folds you can make a blue whale, a sailboat, a windsurfer and much more.

About the AuthorChristopher L. Harbo discovered his love of comic books as an adult when he stumbled on a copy of Stan Sakai's comic "Usagi Yojimbo". Today, Christopher's bookshelves are loaded with comics and graphic novels from around the world. When he's not reading, Christopher enjoys practicing origami, watching Japanese anime, and working in his garden.
