This is a good book for beginnersBy Heather HilburnThis is a good book for beginners. There are several bear patterns, and theyre all chunky, huggable bears. Some have joints, some are solid, some are large, but all are cute and round. There are also side projects, like a rocking horse, a cradle, a quilt for the bear, and some decorations. Its a nice little book, but not complicated.0 of 0 people found the following review helpful. Five StarsBy Rita Mgood
