Duy Nguyen : Eerie Origami before purchasing it in order to gauge whether or not it would be worth my time, and all praised Eerie Origami:

0 of 1 people found the following review helpful. Excellent for kids who love Halloween and Papercrafts By Rhiaj This is an excellent beginner/intermediate origami kit. Easy to follow instructions, cool designs, and a ready-to-go example of what you will be able to create with this kit.

Create your very own cast of scary origami characters with just a few folds of paper. Eerie Origami includes an 80-page book that features beginner origami instructions, as well as step-by-step instructions for making six eerie figures: a Jack-o-Lantern; Cats Skull; Witch; Vampire Bat; Wolfman; and Frankenstein's Monster. It also comes with 50 sheets of 6 x 6 origami paper in five different colors. An assembled Wolfman completes the package so that the party can get started as soon as the box is opened.
