Elizabeth Spurlock : Elegant Peacock Cross Stitch Pattern (Annie's Cross Stitch) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Elegant Peacock Cross Stitch Pattern (Annie's Cross Stitch):

Add a touch of elegance to your decor. The elegant and colorful plume of the regal peacock takes center stage in this design inspired by a quilt panel from Northcott. Stitched in cotton floss with a sprinkling of metallics, the design is certain to be a new heirloom decor piece. This e-pattern was originally published in the April 2015 issue of Just CrossStitch magazine. Finished design measures approximately 7" x 11 1/8" or 98 x 155 stitches. Skill Level: Intermediate

About the Author Born into a crafty family, Elizabeth Spurlock learned crafts from family and friends, including embroidery from her grandmother and cross stitch from a college friend. She has worked as a full-time designer for a new cross-stitch publication, and she has served as the design director for two other craft publishers. She has also worked as a freelance designer. Elizabeth especially enjoys teaching beginning stitchers and introducing them to the fun and sense of accomplishment that comes from creating cross-stitched accessories for themselves and gifts for their friends and family. She believes that beautiful, fun designs can be crafted even at a basic skill level, and that beginners will feel a greater sense of accomplishment and gain more lasting interest in the craft if they can create something they are proud to show off or give as a gift. Elizabeth lives in Atlanta, Ga., with her husband and two sons.
