2 of 2 people found the following review helpful. fortunately, there is DMC floss everywhere By Hurray for Books I am really excited about getting to work on this. Live in Ecuador and, fortunately, there is DMC floss everywhere. My friends think I'm crazy. I like that the whole thing came as a book. Like having a shopping list as well as a color list, one of which is in numerical order. Drawback - 109 colors with all black and white symbols. Time to get out my colored pencils. Would prefer bigger pattern on more pages since that is what is going to happen once I get it enlarged. 0 of 1 people found the following review helpful. Beautiful By Lois Field Beautiful design and very detailed easy on the eyes chart. Looking forward to seeing this completed.
