A lot of the example pieces are representations of the style of embroider . As far as making projects and pieces, lots of detailed descriptions and pictures help one make the projects from the book. 4 of 4 people found the following review helpful. Beautiful book By Ripley2K This book has clearly labelled diagrams and instructions and the projects are wonderful. I am working on a 17th century needlework casket and some of these smalls will be tucked away in this cabinet. 0 of 0 people found the following review helpful.
