**Jenny Hart : Embroidered Effects: Projects and Patterns to Inspire Your Stitching (Sublime Stitching)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Embroidered Effects: Projects and Patterns to Inspire Your Stitching (Sublime Stitching):

0 of 0 people found the following review helpful. Great book, but my copy came with a minor defect. By Nicolette I just received this book and am having a hard time putting it down! It's written well and engaging, and I can't wait to get home and start applying some of her tips to my hand embroidery. Spiral bound makes it so much easier, because you don't have to hold it to keep your page open, and the images are stimulating. My only complaint is that my copy came to me damaged. The first few pages have a rip down the inside edge. Nothing that keeps the book from being useful, but it's certainly not desirable, especially from a brand new product. The missing star isn't reflective of the product itself, but rather the defect with my particular copy. 0 of 0 people found the following review helpful. Five Stars By BeachLifeSoonLove this book and all the great designs 0 of 0 people found the following review helpful. Five Stars By Betty F. Fun!

Embroidery empress Jenny Hart taught her legion of fans the basics with the best-selling *Stitch-It Kit* and *Sublime Stitching*. Now she takes stitchers one step further with instructions and diagrams for more than 35 stitches, some published here for the first time. To top it off, *Embroidered Effects* includes dozens of original (and reusable) iron-on transfers. With lots of project photos for guidance, even beginners can learn how to stitch faux tattoos on their shirt sleeves, cheeky fan dancers on their shower curtains, and many more fun projects.

About the Author Jenny Hart is the artist behind the global business Sublime Stitching. Her work has appeared in Real Simple, Lucky, ReadyMade, Craft, and more. Jenny lives in Austin, Texas, where she is a member of the Austin Craft Mafia. Aime Herring is a New York-based photographer.
