Okay for a coffee table book, but not instruction By Rosie Raggamuffin A whole book with very little instruction or nice pictures. I had hoped for more.

This book contains exquisitely fine embroidery featuring gardens as a theme, with patterns for more than 50 flowers, such as magnolias, French lavender, English primroses, cyclamen, buttercups, daisies and many more.

About the Author Diana Lampe is well known throughout the world for her wonderful garden flower embroideries, and is the author of four popular books on this subject.
