**Linda Tudor : Embroidered Purses: Design Techniques** before purchasing it in order to gage whether or not it would be worth my time, and all praised Embroidered Purses: Design Techniques:

19 of 19 people found the following review helpful. great inspirations!By JanetThis is a wonderful book to get your creative juices flowing. It's not so much a pattern book as a book to give you ideas, and suggestions to create your own work of art. This is the best book on making purses that I have found. If you are looking for a book to take you through step by step directions, then this is not the book for you. But, if you are looking to be inspired, buy it!0 of 0 people found the following review helpful. Three StarsBy JackI was impressed with the purse on the cover, but the projects aren't very complete.0 of 0 people found the following review helpful. Great step by step pictures.By YolaGreat pictures, explanations are easy, step by step and more.

Combining fashion, design, textile art and embroidery, Embroidered Purses is a book for all those looking to create

one of the most-loved fashion items. Whether you are a textile artist looking for a practical application for your work or from a fashion background, this book is for you. Taking inspiration from historical purses, foreign textiles and design themes, the author has created a practical but inspirational book. It is illustrated throughout with colour photographs of finished purses, both historical and modern, and complemented by clear and lucid step-by-step diagrams and instructions on how to make, decorate and embellish the purses.

About the Author Linda Tudor is a member of the acclaimed Practical Study Group of the Embroiderers' Guild, UK, and member of the Society of Designer Craftsmen, UK. She is an exhibiting textile artist and her work is seen in private collections throughout the UK and also Japan, Denmark, Hungary and Norway. She runs workshops on design topics, purses and slashing. Linda lives in Leatherhead, Surrey, England.
