**Charlotte Gerlings : Embroidery: A beginner's step-by-step guide to stiches and techniques (Craft Workbooks)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Embroidery: A beginner's step-by-step guide to stiches and techniques (Craft Workbooks):

2 of 2 people found the following review helpful. Not a kit, still a hit!! By Jayney For all who wonder, this is not a "kit" as advertised via title on the sellers page. It is just a booklet-- a very good, extremely useful booklet, but still not a kit. Since this is a "product review" I am giving the product- 5 stars! The seller maybe 4 for the incorrect/confusing title. 0 of 0 people found the following review helpful. Embroidery for Beginner's By AncientOne85 Not sure how well this will help in me starting Embroidery but ... should it help more than I think .. I will upgrade from 3 stars. 0 of 0 people found the following review helpful. For someone who had never worked with embroidery thread before it

turned out great. This little book helped. By Customer Bought this book for my husband, who is learning how to do more than a simple stitch. With his help, we worked on a pattern that had barn yard animals on the squares. For someone who had never worked with embroidery thread before it turned out great. This little book helped.

Designed with the absolute beginner in mind, this book also serves as an excellent refresher course. It offers a handy guide to embroidery by both hand and machine, with practical advice on equipment, materials, methods, and techniques. Readers receive step-by-step instruction for preparing and matching threads and fabrics, working with hoops and frames, and transferring designs. An illustrated stitch directory shows how to complete more than 70 types of stitches, arranged by families for ease of reference. Simple practice projects are provided for making a bag keeper and a peacock cushion cover.

From the Back Cover Perfect for complete beginners or anyone who just wants to refresh her skills, Embroidery is your step-by-step guide to every aspect of this rewarding craft. With practical advice on tools and techniques, simple practice projects, and an illustrated stitch directory, this book will inspire creative stitchers everywhere. Inside you'll find:

- Step-by-step instructions and clear illustrations
- Advice on equipment, materials, methods, and techniques
- Illustrated stitch directory for more than 70 types of stitches
- Different styles of folk embroidery from around the world
- Simple practice projects to try at home

Other Craft Workbook titles:

- Beading
- Cross Stitch
- Knitting
- Crochet
- Patchwork
- Quilting
- Appliqu
- Sewing
- Soft Toys

About the Author Charlotte Gerlings is an expert in several art mediums, including needlecraft and fabric arts. She graduated in Publishing from Oxford Polytechnic (now Oxford Brookes University) and since then has worked as a book designer, writer and editor. She lives in South West London and is currently studying at Wimbledon School of Art for her MA in Fine Art. She is the author of several books, including Sewing, Patchwork, Cross Stitch, Knitting Crochet, and 100 Great Artists.
