Kazuko Aoki : Embroidery of a Journey: Encounters with England's Wildflowers - Japanese Embroidery Book before purchasing it in order to gauge whether or not it would be worth my time, and all praised Embroidery of a Journey: Encounters with England's Wildflowers - Japanese Embroidery Book:

0 of 0 people found the following review helpful. Don't expect good stitching instructions By donnacooks Pretty to look at but not very useful 0 of 0 people found the following review helpful. These embroidery patterns are gorgeous and seem true to life ... By JessB These embroidery patterns are gorgeous and seem true to life. This book is totally in Japanese, but some of the instructions are illustrated, so it is possible to figure out what the stitches are, although it was a little hard because the patterns themselves sometimes used abbreviations of the whole name that was given when it showed how to make the individual stitches. 0 of 0 people found the following review helpful. Beautiful book

but I don't understand JapaneseBy CustomerThe books are written completely in Japanese this was not mentioned when I placed my order

Another gorgeous book of embroidery crafts patterns by Kazuko Aoki, the author of Tiny Gardens. A Japanese import mook book with lush pictures patterns. Much admired on craft blogs. Paperback.From Amazon Japan:Field trip to visit the United Kingdom, was in the flower garden journey also meet blooming wildflower meadow (grassland), of longing, flower market, of the city. Landscape and flower embroidery on the hustle and bustle of the field remains in the mind.
