Some of the info is new to me regarding embossing. I have recommended the book to a niece who is thinking of trying embroidery on paper.2 of 2 people found the following review helpful. Moderately interestingBy CustomerI'm always looking for new card designs. This book had some interesting ones, but not as many as I'd have wished. It had other kinds of projects, just not what I would probably use.0 of 0 people found the following review helpful. Decent resourceBy John D. HarbaughDecent resource. Worth consideration.

Elegant Scrapbook pages and cards with a needle and thread by Erica Fortgens. Embroidery on Paper is easy as 1-2-3.

Techniques include Embroidery, Repousse, Rubber Stamping, Tea-Bag Folding and Embossing - something for everyone!
