Linda Causee : Embroidery Stitch Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Embroidery Stitch Guide:

0 of 0 people found the following review helpful. Best Stich Guide for Beginners and Ols HandsBy CustomerThis is a great book for people new to embroidery as well as for those of us who haven't done it in a while. My granddaughter asked me to teach her how to embroider this summer, so I bought a copy of this book to refresh. She has loved learning and has even created her own original projects using chain, satin and cross stitch. She asked for more embroidery supplies and projects for Christmas, so I bought her a copy of the guide for herself. The guide is easy to follow, even for a ten year old. It is the best stitch guide I have seen.0 of 0 people found the following review helpful. Four StarsBy Christine A. PaulThis stitch guide is good, but some instructions seem a bit lacking. Could probably use more illustrations.0 of 0 people found the following review helpful. Good guide book!By CustomerThis is a really good book for basic embroidery stitches. I hadn't done embroidery for many years and the easy instructions helped me

pick up this hobby again. I like the fact that the different stitches are illustrated and I found this guide book very helpful.

5744 Embroidery Stitch Guide: With clear instructions and step-by-step diagrams for 58 beautiful embroidery stitches, this book is a treasure trove for beginners or stitchers who need a refresher course. It begins with a general explanation of the supplies you need and gives tips for stitching and finishing your projects. Then each stitch is shown individually in a full-color photo accompanied by how-to illustrations and instructions. The Heart Wreath on the front cover is an example of the endless creations you can make with this big collection of stitches. Happy stitching!
