A must for your encaustics library.0 of 0 people found the following review helpful. Five StarsBy Beth HobbyI highly recommend this book - it is full of fabulous ideas.3 of 3 people found the following review helpful. It's Encaustic! What could go wrong?By B. FidelI have other books by Patricia and have gone through most of this last one that I've purchased. As an Encaustic artist and instructor myself, I find her instruction and photos very useful. I am always interested in learning new techniques and materials and this book provides a great deal of information on both.
