## **Patricia Seggebruch : Encaustic Revelation: Cutting-Edge Techniques from the Masters of Encausticamp**

before purchasing it in order to gage whether or not it would be worth my time, and all praised Encaustic Revelation: Cutting-Edge Techniques from the Masters of Encausticamp:

3 of 3 people found the following review helpful. Really nice book for many reasonsBy SCPReally nice book for many reasons ... several different applications covered. Always love her books as she lays it all out and even tells you where you can purchase the supplies.2 of 2 people found the following review helpful. highly recommend this beautiful - inspiring bookBy jlizbeautifully photographed with clear examples and loaded with ideas and inspiration even for the seasoned encaustic artist0 of 0 people found the following review helpful. Five StarsBy Rayven HockettPerfect book, just what I needed. Thank you.

Learn encaustic techniques from the best--the masters of EncaustiCamp! Get a sneak peek into the EncaustiCamp experience with *Encaustic Revelation*! The creation of artist and author Patricia Baldwin Seggebruch, EncaustiCamp bring students of all skill levels and from around the world together for a week of intensive education, art making and camaraderie. *Encaustic Revelation* is the first book to bring the experience, insights and cutting-edge techniques of EncaustiCamp directly to YOU! Step-by-step demonstrations from 9 popular artists, including Patricia Baldwin Seggeruch, Bridgette Guerzon Mills, Michelle Belto, Crystal Neubauer and Judy Wise. Dozens of innovative techniques for encaustic printmaking, working with hand-dyed and textile surfaces, sculpting with wax and foam and more, plus unique project ideas including soldered jewelry with encaustics, wax and plaster books and 3D encaustic collage. 30 student projects and 56 finished pieces of art from the instructors--eye candy for you, yes, but these varied and exemplary pieces demonstrate the possibilities and individuality that come from the rich, immersive and supportive environment of EncaustiCamp. You'll be inspired! So go ahead, try something new, something cutting-edge, something revelatory, and enjoy the workshop experience at home!
