**Nico Vermeulen : Encyclopedia of Herbs** before purchasing it in order to gage whether or not it would be worth my time, and all praised Encyclopedia of Herbs:

A comprehensive guide, The Complete Herb Encyclopedia provides detailed information on over 600 varieties of herbs. You will find an array of ideas for using herbs for cooking, healing, aromatics, cosmetics and dyeing. Also included are tips on the cultivation and propagation of herbs for your own garden. Illustrated with hundreds of beautiful color photographs, this volume also includes symbols to help you get the information at a glance, and both Latin and common English names for each herb. This lovely book is an invaluable resource for both novice and veteran in the world of herbs.
