One StarBy Claude and Carm CustomerVery disappointed. The book is heavily damaged.5 of 5 people found the following review helpful. Endless Embroidery on PaperBy CustomerThere are many beautiful illustrations in this book. In addition, there are clear instructions on how to make as well as illustrations of the stitches used.

This book contains patterns and instructions for making beautiful cards and paper projects using embroidery on paper techniques. The embroidery stitches that are used in this book are clearly depicted and described. Joke de Vette also combines 3D decoupage with some of the projects. Patterns in this book are actual size.

About the Author This is Joke de Vette's 3rd book in English, it is a compilation of her books "Eindeloos borduren op papier en 3D" and "Buitengewoon borduren op papier en 3D" that were written in Dutch.
