AMAZING BOOK!!!By Matthew LarssonAMAZING BOOK!!!I was blown away with all the creative and different ideas!! I highly recommend this book, if you are into Origami, then this book is for you. Excellent idea for either a present for that someone special or to throw out some erotic passion into a creative art form!Nothing short of a masterpiece! 5 stars from me!!

After over ten years in the making, Erotic Origami is available to satisfy the adult-oriented cravings of origami aficionados. Over six-hundred full-color illustrations will guide you to recreate twelve origami pieces. Included in the collection are four different sexual positions, as well as depictions of hands and mouths as they were meant to be used. A chapter on materials and methods is also included, so you can make your models as presentable as possible.
