But this was a nice simple read for beginner users of essential oils.

Essential Oils Gifts 32 Essential Oil Recipes For Handcrafted Soap And Skin Care Making your own soap and skin product is not a new trend. This is something which has happened since ancient times. Of course the process is generally easier now as there is an abundance of resources which educate you into the benefits of the different oils and the different methods of making soap. In fact, many hand crafted soap products are made in a similar way; it is the essential oil which you add which makes the difference. The right oil can create a beautiful aroma, leaving your skin feeling fresh and hydrated. Choosing the right essential oil can actually make a huge difference to your product. There are some which are designed to exfoliate, some for deep cleaning and others which work to moisturize your skin. Indeed, the options are almost infinite. This book will help you to get started by providing the following information: An introduction to essential oils, the mysteries of hand crafted soaps and the importance of appropriate safety. Ten soap recipes which will provide you a product you are happy to use at any time of the day. Ten products which are good for your skin, even if you have a variety of different skin issues. Finally, there are twelve recipes which deal with alternate creams and lotions for your skin and other parts of your body. You will be amazed at just how versatile an essential oil is!
