BarnettIf you want to get away from overly cute, lacy, flowery knitting patterns that remind you of your grandmother's doilies, this is it. Think industrial, edgy, urban, but made with lusciously soft yarns. This is one of my favorite knitting books, alongside Last Minute Knitted Gifts, Weekend Knitting, The Shape of Knitting, and Knit Red. I hope she comes out with many more books (please!).1 of 2 people found the following review helpful. GORGEOUS PATTERNS!!By Shari BrownGORGEOUS BOOK!! I LOVE IT!!! I am a paper girl and the feel of this is fantastic! Gorgeous, edgy photos and the patterns are to die!!!! I'm a new knitter and I am so inspired to make so many of these patterns! I've got other knitting books that only have 2 or 3 patterns that I like. This book has SO MANY!! I can tell you already it's going to be tattered and torn by the time I'm done with it! But it is so gorgeous that it could be a coffee table book!!0 of 1 people found the following review helpful. Love itBy Susan WhitleyLove it. Patterns are great and easy to follow.
