I was going to be happy if there were 12 flowers I was interested in making. I can be incredibly picky. But there are at least 35 I want to make. So excited. The felt flowers in this book are gorgeous.0 of 0 people found the following review helpful. Four StarsBy CustomerVery

helpful in learning how to make flowers out of felt

Flowers are a perennial favorite among crafters especially when they're quick to create, and made with felt, pretty fabrics, and eye-catching stitched embellishments. These 42 floral projects include a simple stemmed marigold; a cascade of silk poppies; an embroidered bouquet for a lucky bride; roses entwined in a summer headband; a dapper little boutonniere; and a velvet succulent wreath to adorn a door.
