**Ruth Singer : Fabric Manipulation: 150 Creative Sewing Techniques** before purchasing it in order to gage whether or not it would be worth my time, and all praised Fabric Manipulation: 150 Creative Sewing Techniques:

10 of 10 people found the following review helpful. Origami lover finds new outlet in fabricBy jillerI was already into origami when I discovered quilting, so naturally I have sewn and been aware of folded fabric quilt flowers and other designs. I have never seen the array I found here, though, and I am ready to try many of them. Quite a source of inspiration.2 of 2 people found the following review helpful. Great BookBy AFSMany excellent ideas and techniques that can be applied to my work. I have searched for this book for several months, unable to locate in any of the bookstores, by chance found the book on and purchased.1 of 1 people found the following review helpful. Great textbookBy dani arrecisExactly what I was looking forIt gives great examples of work and explanations on techniques.My new go to!

This is truly an essential resource for all sewists! Set to be the new *The Art of Manipulating Fabric*, Ruth Singer offers a modern interpretation of fabric manipulation in this book, with hundreds of full colour diagrams. Discover and explore 150 creative sewing techniques including pleating, folding, gathering, smocking, quilting, trapunto and applique. Ruth explains her innovative variations of these traditional fabric manipulation techniques and offers inspirational project ideas demonstrating practical applications to create accessories and home decor. Photographs and illustrations are included to support the step-by-step instruction for each technique and all of the techniques can be done by hand or with a domestic sewing machine without the need for specialist equipment.

About the Author Ruth Singer is an experienced author with a reputation for her fabric manipulation work. She has published two previous titles *Sew Eco* and *Sew It Up*. She has worked as a designer-maker since 2005 and runs workshops for adults and children. Ruth is also very active on Twitter and other online social media platforms.
