Finally had the opportunity from a book to learn and understand what to do. Why don't other makeup artists include this information in their books???1 of 1 people found the following review helpful. Unique simple technique for applying natural look makeupBy Rina A.Really well written and informative book. Love his different approach. The complementary videos are awesome! I learned a lot! Maybe I missed it but the only thing I didn't see was how to chose eye shadow colors. Perhaps this will require a whole new book....which I'll buy immediately!1 of 1 people found the following review helpful. Easy to followBy MehturtEver since I first discovered Chris Scott's MakeupGourmet video tutorials I've bern a fan. His explanations are clear, to the point and very usable for the regular woman. I have yet to apply his new method, but

reading the book it made a lot of sense.
