Joan Elliott : Fairy Enchantment (Good Old Days) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fairy Enchantment (Good Old Days):

8 of 8 people found the following review helpful. Beautiful designsBy SusanneLet me say I love Joan Elliot. And these designs are beautiful. That being said however, I do wish that there were actual pictures of the finished pieces instead of drawings. The drawings are nice and beautifully done however when you're sewing you look at a finished piece. With the drawings you miss the details-this shimmering of the metallic threads, the beads, etc. Also some of the fractional markings are a bit small- even with my glasses on I still needed a magnifying glass.0 of 0 people found the following review helpful. the charts are clear and easy to followBy Annette KnuppThis is a book I have wanted for a long time, the charts are clear and easy to follow. It was a used copy, but was in pristine condition. I was pleased, all around.3 of 3 people found the following review helpful. Very good.By BerniceI love to cross stitch ,this book has good instructions and graphs. Good supply list . And a must importantly lovely pictures.

Presented with clear black-and-white charts and accompanied by detailed instructions, this collection of fairy-inspired designs brings together nature and magic in five new patterns from popular designer Joan Elliott. Projects include Once Upon a Time, the Fairy Queen, the Fairy and the Dragon, a Fairys Garden, and Butterfly Fairy. Alongside the more complex designs, this book also includes patterns for four ornaments, making it an ideal sourcebook for crafters wanting a quick project.

About the AuthorJoan Elliotthas been designing needlework patterns for more than 35 years. She lives in Brooklyn, New York.
