Quality Product as usual from AGBy RenichelleQuality Product as UsualFor an idea of how beautifully these images are colored, and the consistent quality of the books put out by Angie Grace, visit her website: www.angiegrace.com also look at the Facebook Group 'Color with Angie Grace'. Angie herself posts pages she's colored her current WIP to the group at least 2x/wk, and the work you see here done by members is inspiring and will absolutely confirm why you SHOULD order this other Angie Grace books. Note that she publishes prints exclusively through , so you won't find her books as BN, BAM, Michael's, Hobby Lobby, etc.My only complaint is that I wish the pages were of a slightly heavier paper stock. Images are one sided the paper used in the book is sufficient enough to hold markers such as Bic Mark-Its, Sharpies, Prismacolor, Coptic Crayola. Save yourself a facepalm though be sure to put a blank sheet being the page you color with marker, as there will be some slight bleed through.2 of 2 people found the following review helpful. The Best Journal Ever!By CustomerVery cute journal. Perfect for writing and adding a touch of color. I have started to buy these, to write daily passages in, for my severely impaired and disabled baby, with rare brain disorder. Life expectancy commonly 2yrs, but possible 10 year life span. I write all our happy moments in these books about her life. I want to have these beautiful memories to always be able to reflect on, after she goes to heaven. Not only is there, plenty of writing space, but I can also add all the color that she brings in our lives. I LOVE LOVE LOVE these journals and want the whole collection! one is divine. They are beautiful and get my ideas flowing, I enjoy just coloring them, but I find myself wanting to do more with them. I have even used them in my wood burning hobby, they inspire ideas for some plain boxes I had. And if I knew stained glass, they would watch out.

Pattern artist Angie Grace brings you 50 inspirational coloring designs suitable for adults and older children.
