I love this book!By Vicki EmbreyI love the patterns included in this book. I haven't made any yet so I can't address how well the patterns are written. The photos are great

though and I have enough experience to be able to fit a dress pattern so I'm looking forward to trying some of them.0

Audrey Hepburn, Jackie O., Marilyn Monroe. . . these women wore stylish dresses that still make us swoon today. Famous Frocks provides everything needed to recreate these iconic looks by hand including Audrey s little black dress, Marilyn s poster-classic white halter, Madonna s sexy Like a Virgin number, and more. Vintage photos of the original look alongside beautiful color illustrations of the finished projects offer inspiration, while how-to illustrations break down each step so sewers of all skill levels can follow along. Packaged in an attractive lay-flat hardcover and featuring full-sized patterns for 10 classic dresses updated to be stylish for today (plus 10 variants for a full 20 new looks), this entirely original sewing book is a treat for lovers of vintage style.
