Loved itBy Josie H.I love this book and bought two more as gifts.3 of 3 people found the following review helpful. Lots of Nifty IdeasBy JGoI bought this on a whim and was I ever surprised to see how many creative, easy and fun ways there are to decorate a terra cotta pot. Many of them use "found" materials, like the foil wrappers from fancy candies, or leaves and branches found in parks and yards. I've already made plans to make quite a few of these for next years holiday giving and know they will be a big hit.

Transform the ordinary flowerpot into a new decorating element that will enhance its surrounding as well as the plant

it contains, with the wide variety of techniques demonstrated in this book.'
