It gives step-by-step instructions with clear pictures of all supplies needed and how to assemble the wreath. Even though the wreaths may be slightly dated, the clear instructions could be transferred to more up to date styles. I feel that, with these instructions I will be able to create wreaths from another book that I purchased ("Wreaths for All Seasons" by James Farmer) that had no instructions.0 of 0 people found the following review helpful. Good Basic Design Book!By Eugenia LocknishA really good book overall. It may seem a little outdated in terms of today's designs, but it definitely had many great ideas and the mechanics of putting different materials together. I am happy I purchased it.0 of 0 people found the following review helpful. Dale Rohman WreathsBy Gerry GronefeldDale makes "how to" wreath book easy and fun to read and follow. Highly recommended.

He's instructions are easy to follow, witty and fun.

Nothing makes a home more inviting than an elegant wreath or swag on the front door. In this inspiring book, floral designer Dale Rohman shows readers how to make their own door decorations with his helpful hints and mini-demonstrations. They'll find 20 amazing step-by-step projects in all, utilizing a huge variety of intriguing materials: - Wreath of fresh roses - Wreath with fresh lemons and butterscotch - Fresh wreath with apples, limes and banana peppers - Dried wreath featuring sunflowers and wheat - Silk heart-shaped wreath with rose petals - Trellis wreath with birdhouses and seeds - Gold wreath with holiday ornaments and ribbons - Square bamboo wreath with dried hanging flowers - Wreath with shells and tropical flowers - And much more! Fantastic Wreaths with Dale Rohman is an all-inclusive guide to keeping your home stylish and welcoming all year long.

"The common denominator of all wreaths is [that] they are handmade. With every wreath, love is the thread that binds it and allows it to last forever, if only in memory. Life gives us plenty of opportunities to hang wreaths on our doors, but perhaps you will agree with me that the best wreath simply celebrates the day." -Dale Rohman
