Tracy Warrington : Fantasy Castle Cross Stitch Patterns: Collection Number 1 before purchasing it in order to gage whether or not it would be worth my time, and all praised Fantasy Castle Cross Stitch Patterns: Collection Number 1:

0 of 0 people found the following review helpful. Very Hard Pattern to UseBy Just MeI've been cross stitching for 30+ years and this is one of the worst patterns I've seen. I'm stitching design #4 and have finished the first (of 24) page of the pattern. The size of the pattern is great, however, there is no color whatsoever. This pattern uses 60 different floss colors and the symbols are all black and white and too similar to each other to make them easily distinguishable. As a result, it's much more time consuming than it should be and too easy to make mistakes.0 of 0 people found the following review helpful. Perfect! Just what I wantedBy Stacymay DennyThe book is in great condition, durable, and filled with excellent resources along with the patterns themselves. I'll probably end up copying/scanning each page and taping them together to create the patterns since they're divided up into parts due to their size. I can't wait to start on

one of these, they will make amazing decor and the beauty of having a book of patterns is you can make more than one if you want to give them away as gifts! Absolutely awesome and a steal at the price.0 of 0 people found the following review helpful. I like itBy real readerSo far I really like it. I had to remove all the patterns and make copies of them. Personally, I could not do these patterns without making copies so I could highlight my progress. At first I did not like this, but it gives me the opportunity to reproduce a pattern. The product is exactly as described and for the more experienced cross-stitcher it is great. If you are not experienced or a beginner I would not suggest this as it is very detailed and has numerous colors scattered throughout.

Stitchx Cross Stitch Patterns presents: Fantasy Castle Cross Stitch Patterns - Collection One Exquisite fantasy art transformed into a large and detailed cross stitch pattern. This design will truly be a work of art when completed. These patterns are classified for intermediate to advanced stitchers. The designs contain no blended stitches, fractional stitches or backstitching. We rate this as intermediate to advanced based on the size of the designs. Our charts are easy to read and fun to stitch! This book includes: Complete DMC floss list indicating how many of each skein is required (actual floss not included) Pattern in large, black and white symbol, easy-to-read format Stitching hints and tips Project planning worksheet Page layout guide Each design utilizes 60 DMC floss colors with the exception of Design No. 3, which requires 30 DMC floss colors. HAPPY STITCHING!
