Some of my happiest days were spent on a farm of my uncle's in southern Missouri, so this brought back happy memories. I love the story line that runs through the book, and the fact that the farm animals (and people) have such delightful personalities, expressed in their physical characteristics, but also brought out by the story line.3 of 3 people found the following review helpful. I love all her booksBy SUSAN FEEHANthe very best knitting instructions I ever found for novelty items. such fun to knit.this is an excellent fun book.2 of 2 people found the following review helpful. Great Knitting project - intermediate knitter is required!By LornaThe book is well written, the animals and people turn out great. Had a lot of fun knitting the projects

Hi-ho, the dairy-o meets knit one, purl one in the latest book of adorable toy knits from best-selling knitting author Fiona Goble.Fiona Gobles Farmyard Knits takes you through a day in the life of a farm as knitters of all skill levels create a farmer and his wife, their cat and sheep-herding dog, and a whole host of charming farmyard animals, from the rooster that crows to greet the day, to the cows slowly chewing their cud in the meadow, to the horse eating hay in its paddock, the pigs playing in their pen, the sheep who are herded into the barn as night falls, and a sly fox that prowls around the coop after dark while the hens are snug in their roosts. You can even knit an adorable tractor for the

farmer to ride on, as well as a playmat with a variety of fields and a pond to set the scene. The little farmyard knits make perfect gifts or toys for children as you teach them about animals and life on the farm. Each pattern begins with a list of materials needed and includes step-by-step instructions, along with full-color photographs of the completed dolls. An illustrated overview explains all the stitches and techniques. More than just a knitting book, the gorgeously illustrated pages of Farmyard Knits also tell the story of the farmer and his wife as they go about their daily chores.

About the Author Fiona Goble is an accomplished knitter and the author of many craft books and articles. She also owns a small business making woolen bags and home accessories. She lives in England.
