I got mine used (cheap) without the paper or embellishments but that is perfect for my purposes as I have a lot of papers and embellishments already. 3 of 3 people found the following review helpful. fashion origami By C. Yates This book is a great gift for any young lady who enjoys fashion and/or origami. the colorful diagrams with lines for the folding makes this easy to follow and produce cute fashion and the darling high heels shown in the book. Purses, dresses, jacket and other items are fun to create. Fashion Origami: Fold Dazzling Designs (Klutz) 3 of 3 people found the following review helpful. Lots of fun By Kathleen Taylor My 10 year old Granddaughter and I played with this set and loved it. The instructions were clear and easy to understand, and the illustrated steps made it easy for us to create all of the projects. We went out and bought more origami paper right away.

Turn single sheets of paper into sassy fashions that are anything but flat. Super-clear, step-by-step instructions show how to fold ten unique pieces, from party dresses to pajamas. The results are cute, cool, and uniquely dimensional. Custom-designed origami paper in an array of bold and bright patterns gives each project an up-to-date look a fabulous fusion of fresh style and timeless craft. The included sequins, ribbon, and glue make it easy to add your own flair. Comes With: 80 sheets of custom designed patterned paper in two sizes, sequins, organza and satin ribbon, glue
