**Connie Amaden-Crawford : Fashion Sewing: Advanced Techniques (Required Reading Range)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Fashion Sewing: Advanced Techniques (Required Reading Range):

Fashion Sewing: Advanced Techniques guides the reader through a range of intermediate and advanced skills, such as tailoring, sewing with knits, inserting linings and facings and how to sew a wide range of design variations for collars, pockets and sleeves. The detailed step-by-step instructions are easy to follow, with clear accompanying illustrations. This comprehensive guide is an ideal accompaniment to the first book in the series, Fashion Sewing: Introductory

Techniques, but it will also enable those with a little sewing experience to master their fashion sewing skills and create beautiful, professional-looking garments.

About the AuthorA former instructor at the Fashion Institute of Design and Merchandising (FIDM) in the US, Connie Amaden-Crawford is now a licensed designer for The McCall Pattern Company under the Butterick label, and is President and CEO of Fashion Patterns by Coni.
