Terry Martin : Fast Fusible Quilts: Cross-Stitch Quilts Made Easy (That Patchwork Place) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fast Fusible Quilts: Cross-Stitch Quilts Made Easy (That Patchwork Place):

0 of 0 people found the following review helpful. Easy directionsBy ChristinaI love cross stitch and quilting - I can't wait to try using this technique to combine them. Directions seem easy to follow.

Turn any charted design into a quilt! Adapt cross-stitch designs to quilts in a snap with the help of today's fusible tools. This fun, step-by-step approach uses a simple, grid-based format that will show you how to create beautiful quilts from almost any charted cross-stitch, needlepoint, or latch-hook design. Nine pattern designs and three quilt projects

illustrate how to transform needlework motifs into quilts with gridded fusible interfacing Once you understand the technique, you can use elements from your best-loved charted designs to create original quilts that are virtually foolproof to stitch Includes instructions for sewing the entire alphabet on grids, so you can monogram your quilts or personalize them with special words and phrases If you're a fan of quilting and needlework, these easy techniques will inspire you to make your own Fast, Fusible Quilts. From the author of Row by Row!

About the Author When two-time author Terry Martin isn't busy designing quilts or doing her favorite needle crafts, she works as an editorial administrative assistant for Martingale Company.
