Empowering Bible verses to help overcome anxiety and fear 54 Coloring pages plus colorable title and note pages Use

alone or with a Bible for devotions. Illustrations are printed single-sided on bright white paper. Each coloring page features a powerful Bible verse and fun pattern background. Whether you face crippling fear or deal with everyday worries, this Christian coloring book can help remind you of the power and presence of God. Each coloring book page has a Bible verse that provides encouragement when facing fear and anxiety. You can work on memorizing the verse while you color the page, so that you are prepared for coping with anxiety. For more in depth Bible study, you can read the whole chapter from a Bible or even the entire book. I grouped the pages together which have Bible verses from the same book of the Bible to make it easier for people who would like to read the entire book while coloring those pages. Share colored pages on social media websites to be a source of encouragement to others.
