**Maggie Pace : Felt It!: 20 Fun Fabulous Projects to Knit Felt** before purchasing it in order to gage whether or not it would be worth my time, and all praised Felt It!: 20 Fun Fabulous Projects to Knit Felt:

1 of 1 people found the following review helpful. Nice, clear instructions.By dropdeadmediocreI purchased the book for one pattern... the cloche hat. My daughter just had to have one. The instructions were easy to follow and I found no errors in the pattern. Unfortunately, there were few other patterns in the book that really called to me. That being said, it is only a matter of taste, and I believe the book has a variety of items suitable for many people and their style preferences.0 of 0 people found the following review helpful. We'll worth the moneyBy OmaSheuGreat info and patterns. The cloche hat is like nothing I've seen available online. That alone would have made this book worth it but there is so much great info and unique patterns that I'm a happy felter.0 of 0 people found the following review helpful. Five StarsBy nancyjobarLove it

Knit something big, wash it in hot water, let it dry, and voila! You have a beautiful felted item, cozy and lush. Felt It! offers a range of projects, including flowered brooches, belts, bags, hats, scarves, pillows, and place mats. Maggie Pace guides you every step of the way and offers expert advice on how to pick the right yarn for the desired effect, prevent overshrinking, use household objects as molds, and use the right increase stitch to help with shaping.

The beauty of the 151-page book is the creativity. Adorable belts, bracelets, and chokers even a fantastic Calla Lilly

Clutch, are must-sees for any knitter aspiring to felt greatness. -- Tulsa World  
From the Back Cover  
If you can knit it, then you can felt it! Pick up your knitting needles, grab some warm fuzzy wool, and let designer Maggie Pace guide you through one of these 20 creative patterns for fun accessories. Just toss your finished piece in the washing machine and marvel at its transformation into lush, irresistible felt. With patterns ranging from simple scarves to challenging bags and hats, knitters of all levels can become felting artists in no time!  
About the Author  
Maggie Pace's business, Pick Up Sticks, produces felted knitting patterns and kits that are sold in nearly 500 stores across North America and in selected European markets. She lives in Oakland, California.
