**Beverly Galeskas : Felted Knits** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Felted Knits:

0 of 0 people found the following review helpful. Five Stars By Holly Some very useful patterns here and the instructions for felting are also very helpful!  
0 of 0 people found the following review helpful. Good book By pen van Good book liked the patterns.  
0 of 0 people found the following review helpful. Love it! Superb instructions By Lisa Charron This book is one of the best books I have purchased about felting knitted items. The patterns are clearly written out and easy to understand. The information about tools, supplies and how to felt different types of yarns is also included. There are many patterns in the book such as hats, slippers for women and moccasins for men as well as totes, purses and mittens. Clearly one of the best purchases I have ever made! Hats off to Beverly Galeskas!

Knitters will find specific techniques and instructions for felting their knitting in this detailed step-by-step introduction, including how to felt on purpose and not by mistake, techniques for both hand and machine felting, and choosing and testing yarns. They'll also learn whether knitting swatches is really necessary and how big to knit a piece before felting. Twenty-four detailed projects include stylish bags, totes, hats, and mittens; warm and fuzzy vests and slippers; and decorative pillows, placemats, and coasters. With a section on embellishing felting and felting on felt (needle felting), knitters will be inspired to create these beautiful projects for friends and family, from the baby's first felt hat to the furry slippers for cold winter nights.

"I enjoyed this book immensely...[It] is laid out with clear methods and instructions." - Liz Allen, The Journal for Weavers, Spinners and Dyers  
"The introduction is a manual in itself, covering the basics in such detail that beginners won't miss a trick." - Vogue Knitting, Spring/Summer 2004  
"[Beverly Galeskas] is simply the best resource for felting today...This is a beautiful - and useful - guidebook." - Knitter's
