Lizzie Houghton : Felting Fashion: Creative and Inspirational Techniques for Feltmakers before purchasing it in order to gage whether or not it would be worth my time, and all praised Felting Fashion: Creative and Inspirational Techniques for Feltmakers:

30 of 31 people found the following review helpful. No step-by-step helpBy VioletaKuI cannot understand how a craft book missed step-by-step pictures. As an intermediate felter, I find very dissapointing buying a book which pretends to be a guide for larger projects and you won't find even an only picture on the process! Nothing! Only written explanations and quite shoddy drawings.The pictures of the coats, hats, etc are nice(really nice work) and inspirational... if you discover yourself how to do them.0 of 0 people found the following review helpful. GorgeousBy GracekeeperThoroughly inspirational.Vivid photos, excellent descriptions. Highly recommended for anyone who

wants to take their felting projects to the next level. 0 of 0 people found the following review helpful. stunning...NOT a how to! By Kirsten M. Houseknecht This is an inspiration book, NOT a DIY book. While techniques and occasional how to do its get mentioned, this is a book of inspiration and "who is who" in felting. I have been completely thrilled with this book, but do NOT buy it expecting a "how you as a beginner can do this" if you want that kind of book i suggest Uniquely Felt. Truly inspiring for those of us who felt, and a glorious picture book for people who do not... For people who love textiles and fashion this will be an inspiration for years! i strongly recommend it.

Crafters and fashionistas alike will go wild about this inspiration-packed book, which offers several ways to make felt and a wide range of patterns for stylish felt garments and accessories. The fashions include everything from hats to lavish full-length coats, and the instructions cover techniques for creating Nuno felt (a lightweight modern type that drapes) as well as traditional felts plus methods for dyeing wool, ruching, and making cords, spikes, balls, and other embellishments.

About the Author Lizzie Houghton trained as a fashion designer and has always been a clothes maker. She now exhibits, sells and teaches in the world of felt textiles. She lives in London.
