PAGES DEFINITELY NEED A BLEED THRU PAGE IF YOU USE GEL PENS OR MARKERS. 5 of 6 people found the following review helpful. Great Variety of Designs For the Holiday Season! By Stacey H. I wanted a Christmas-themed adult coloring book to color in when I was off work during this past holiday season. This one fit the bill. It contains 30 different designs to color, all in a holiday theme - Christmas trees, stockings, snowglobes, ornaments, birds, gifts, bells, deer, gingerbread houses, etc. Many of the designs are not over-intricate, so those without the best vision should be able to color in most of the designs. These designs would also be good for older kids. A lot of the designs ARE intricate, though, which is what I like best about adult coloring books.

The paper is good quality but is not super thick so you will probably need to put a sheet of paper behind each page as you color it so that your pens or markers do not bleed through onto the next page. Thankfully the pages are not printed on both sides, so you will not ruin the design on the back of each page if you use pens or markers to color in the designs. I recommend this book - it's great for the holiday season! 0 of 0 people found the following review helpful. A Good Gift By Whidbey MaryNice variety of Christmas themed pictures. It would be nice if the pages were perforated as I prefer to remove them when I color.
