The projects are awesome, details related to the stitches used are well documented. The author introduces use of a Hedebo ring stick for embroidery of self standing flowers and the Half Cone stick for stitching bell shaped flowers or other detached shapes. A terrific addition to any embroiderer's library. 7 of 7 people found the following review helpful. A lot of detail pictures and descriptions help you make ... By maureen benfer A lot of detail pictures and descriptions help you make various projects from the book. In regards to stitches and techniques there is a lot of information also given in this book.
