They are hardcover and come with a little wooden tool that can be attached (via built in elastic). Because it's so detailed I would suggest it for a more mature child/adult (: It also doesn't leave as much residue as I was expecting. 1 of 1 people found the following review helpful. Very nice book for little artist By squirrel2468 Very nice book for little artist. Has many pictures of famous art/paintings for kids to sketch. Recommended for young artist who likes to sketch or start to learn. 0 of 0 people found the following review helpful. Great for a 9-year-old girl By Dr.Mom My 9-year-old daughter was entertained by her scratch and sketch book

for hours. She worked very hard to copy the pictures, and it was fun to see her show off the results. She had fun and learned about famous works of art in the process. I think 9 is about the right age for these - young children will struggle to copy the pictures and get frustrated. We really liked the American history one as well. Getting her more for Christmas.

Become an art expert as you scratch and sketch fine art masterpieces, using this book to copy 20 of the world's most famous paintings. Includes wooden stylus for drawing on black-coated paper to reveal patterns, swirls, and holographic colors beneath. Wire-o bound hardcover binding 20 scratch-off, 20 illustrated, and 20 sketch pages Suggested ages: 6 and up 6-3/8" wide x 8-1/2" high Note: This is NOT a Trace-Along title; it is best enjoyed by kids who are comfortable copying the simple drawings. Non-toxic: Potential eye irritant. Avoid inhaling particles of scratch coating. Not for children under 5 years. Meets all applicable safety standards.
