Jinks McGrath : First Steps in Enameling before purchasing it in order to gauge whether or not it would be worth my time, and all praised First Steps in Enameling:

0 of 0 people found the following review helpful. even better than they notedBy Cindy Fayalthank you....the book was even better than described. it was early and i will purchase from you folks again.0 of 0 people found the following review helpful. Good bookBy ibladydragonNice book for enameling0 of 0 people found the following review helpful. Five StarsBy Frank Yazzetta Jr.A very good book for the beginner enamelist?

A valuable beginner's manual and useful reference book for the accomplished enamelist includes instructions in the fundamental techniques through twenty easy-to-follow projects that incorporate the major principles of design while allowing for personal interpretation and creativity.

About the Author Professional jeweler Jinks McGrath has been running craft workshops and managing a gallery for many years. She is passionate about her career, especially designing and making individual items for galleries and exhibitions. Enameling is her specialty. Jinks works out of her home in East Sussex, England, and happily divides her time between designing, teaching, and parenting.
