Liz Kettle : First-Time Beading on Fabric: Learning to Bead in Nine Easy Lessons before purchasing it in order to gauge whether or not it would be worth my time, and all praised First-Time Beading on Fabric: Learning to Bead in Nine Easy Lessons:

5 of 5 people found the following review helpful. simply wonderfulBy LoveReadingBooksAlthough I haven't started any of the nine easy lessons, I reviewed the chapters and it looks like FUN! I like the step by step photos.3 of 3 people found the following review helpful. Five StarsBy Susan E StrongaroneBest book I could find for beginner. Clear and concise.3 of 3 people found the following review helpful. I like it a lot !By Barbara Ayalathis book shows in detail how to apply all different stitches with beads step by step. I haven't had a chance to actually use the book yet but have

reviewed it and I like it a lot. I do a lot of regular bead work, so working on materials will be interesting.

First-Time Beading on Fabric teaches nine beading techniques in nine easy lessons. Seed stitch, moss stitch, couching, backstitch, bugle beads, stacks, fringe, picot edge and peyote stitch. After practicing the beading stitches and techniques on the quilt sampler or stitch book, you will be ready to create the unique Beaded Garden Quilt to showcase your new skills. Complete step-by-step instructions and how-to. Hundreds of color photographs throughout.

If you have never tried beading on fabric, Liz's new book is a good place to start. With clear, concise instructions and hundreds of photographs, she will teach you how to do seed stitch, moss stitch, couching, backstitch, bugle beads, stacks, fringe, picot edge and peyote stitch. Also included is an equipment and supplies list and information on charts, bead shapes, threads, needles and bead mats. --Quilters' Digest; November, 2012
First-Time Beading on Fabric is a recommendation for needlework and crafter's holdings alike and offers nine easy lessons that offer step-by-step instruction and close-up photography for learning some nine basic beading stitches. These all lead to putting together a beaded garden quilt at the end, but dozens of beading ideas come together in a guide packed with details on everything from using fringe to bead varieties and their different stitching requirements. A top pick for any crafter's library. --Midwest Book ; February, 2013
Are you hooked on beads the colors, the sparkle, the variety? Or are you hesitant to use beads in your work, not knowing the "right" way? In First-Time Beading, Liz Kettle lets you master nine stitch techniques while completing either a small stitch sampler quilt or a stitch sampler book. You'll learn the stitches and have something practical to refer back to, either to create your own design or to complete the Beaded Garden Quilt included. One of the book's big pluses is that you find hundreds of large, step-by-step photographs to guide you. You'll also find beading inspiration from the more than a dozen pieces completed by other artists. --The Professional Quilter; Summer, 2013
About the Author
Liz Kettle is a fabric and mixed media artist with a passion for teaching others the joy of making art and the creative process. After filling her tool box with the skills for success in the traditional quilting arena she began to delve into art quilting and discovered a world of freedom and fun in mixed media. When she isn't creating visual art, Liz writes about creativity and the creative process. She is the founder of Textile Evolution, a unique retreat. She is co-author of the bestselling and award winning titles Fabric Embellishing The basics beyond and Threads The basics beyond.
