She originally rented it from the library and decided that she had to get this book! It arrived as promised in excellent condition. This is a great beginner book even for someone that is self-teaching themselves as this is what my wife is doing. They are a great variety of items you can make along with clear instructions for all basic knitting skills. She definitely recommends it to anyone who is just getting started. She just finished knitting the baby blanket and said it was very easy. 4 of 4 people found the following review helpful. nice book By Dolores A

Patenaude completed first project and moving along. still needed to check you tube for some direction but happy with book and patterns included. 0 of 0 people found the following review helpful. Five Stars By RGL Thorough enough for novices yet perfect for beginners. Very readable with expert visual instruction.
