**Charlene Tarbox : Floral Borders Laser-Cut Plastic Stencils (Dover Stencils)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Floral Borders Laser-Cut Plastic Stencils (Dover Stencils):

1 of 1 people found the following review helpful. Great stencil for the priceBy Adam FowlerIf you've used 1 stencil, you've used them all. There is nothing fancy about this one that sets it above and beyond the rest. You'll be buying it for the pattern, not for the quality. Its standard this flimsy off-white plastic stencil. The lines and corners are crisp and clean cut. Worked great for the dresser we used it on.0 of 0 people found the following review helpful. Crafting.By Sara LeeI use this for drawing things on shirts and fabric - you just have to find your niche to hold them correctly. They work awesome for me with Sharpies!

Here are three reusable 7 1/4" x 10 3/8" stencils for creating four different graceful floral border designs two wide borders and two narrow borders. Laser-cut on three sturdy plastic sheets for sharpest detail and greatest durability, these stencils offer consistent precision and will stand up to repeated use. Simple instructions make it easy to apply decorative floral accents of roses, lilies, tulips, and irises to walls, ceilings, furniture, fabrics, and other items and accessories.
