Christi Friesen : Flourish Book 1 Flora: Leaf, Flower, and Plant Designs before purchasing it in order to gage whether or not it would be worth my time, and all praised Flourish Book 1 Flora: Leaf, Flower, and Plant Designs:

7 of 7 people found the following review helpful. CHRISTI AS SHE ISBy pammypurplei own all her books and i love all the great tutorial info and with a huge dose of her kinda humor has the best price on it as well. If you didn't know anything about poly clay anyone would be able to follow along,it's easy and fun can't wait for your next one christi thank you !!! Go 0 of 0 people found the following review helpful. but I really like the author's writing styleBy LibraryRoseI am not sure I will ever actually be able to make any of these, but I really like the author's writing style. She makes it seem approachable.4 of 4 people found the following review helpful. You have to buy it!By Nicki DChristi has such a 'free form' way of making things that are so easy to follow. She also has quite a sense of humor and writes in a very fun and relatable way. This book is a must have for all clayers, no matter how experienced they

are... or are not! Its a book for everyone.

This book is bursting with leaf, plant, and flower-themed projects. More than that, there's hints, inspirations and design explorations, leading you step-by-step towards new creative destinations. Flourish! It's all about adding that extra touch of drama. You'll dabble with crystals, powders, paints, wire, beads, molds, and other media to make your polymer clay art more interesting. No matter your skill level, add some FLOURISH to your life!
