Lovely and quick deliveryBy Jane AustinI had bought a similar calandra before and enjoyed it so much I saved the pictures and framed my favorites to use in my bedroom. When we moved I needed to fill more wall space quickly and inexpensively and so I ordered another. It was exactly as I expected. Thank you!2 of 2 people found the following review helpful. Five StarsBy Rose Z.I like this so much, I buy it every year.0 of 0 people found the following review helpful. This is my fourth edition. I gave one to ...By nickieThis is my fourth edition. I gave one to my seven year old grandson for Christmas last year after he saw mine and wanted one of his own..

One of only a few radiographic photographers practicing today, Steven N. Meyers uses x-ray photography to capture the texture and details of flowers in invisible light. To obtain these effects, invisible to the human eye, Steven uses supersensitive, large format film. His luminous images have been enhanced with digital color.
